

Quick Reference Guide – Enabling DBIQ™ - Premier

The product architecture of the Digital Banking IQ™ Premier (DBIQ-P) encompasses a broad set of traditional capabilities presented to end users through modern user interfaces and intuitive workflow. Through a robust set of entitlements that are exposed through an administrative workflow, the financial institution has the ability to selectively introduce Digital Banking IQ™ Premier capabilities to its customers.

Enabling Digital Banking Access

To enable a specific customer for Digital Banking IQ User Experience:

- Log in as the Bank User
- Go to Corporate Users from dropdown
- Customer Admin tab
- Select the customer
- Select Premier to enable DBIQ-P User Experience
- Once enabled, all users within the given customer will have access to DBIQ-P

The screenshot shows the 'Edit Customer' interface. At the top, there is a navigation bar with tabs: Corporate Users, Admin Approval, Admin Report, Corp User Permissions, Corp Users, Corporate Customers, Customer Admin (selected), Emulate, Emulation Report, and Limited User Admin. Below the navigation bar, the page title is 'Edit Customer'. The customer information is: 'Customer Info: Abccorp - ABC Corporation' and 'Market Segment: Sample'. There are several tabs: Customer Info, Link Cust Numbers, Accounts, Services, Permissions, ACH Companies, Approval Reqs, Limits, Reports, Users, and Return to Customers. The form is divided into four main sections:

- Customer Login Information:** Fields for Customer Code (12) 'Abccorp', Customer Password (24), Retype Password (24), and Enable Date (10) '11/16/18'.
- Customer Contact Information:** Fields for Contact Name (40) 'Business Owner', Telephone (25), Fax Number (25), Miscellaneous Data (25), and E-Mail (255) 'business.owner@abccorp.com'.
- Customer Name and Address:** Fields for Customer Name (40) 'ABC Corporation', Address 1 of 2 (40) '2345 Ocean Road', Address 2 of 2 (40), City (25), State or Province (25), Postal Code (20), and Company Tax ID (9 or 10).
- Additional Information:** Fields for Merchant ID (6), Affiliate Bank (dropdown set to 'None'), Billing 1 of 2 (22), Billing 2 of 2 (22), Market Segment (dropdown set to 'Sample'), and Customer Numbers (link to 'Link Customer Numbers').

At the bottom right, there is a 'Secondary Administrative Approval' section with radio buttons for 'Yes' and 'No'. Below it is a 'User Experience' dropdown menu, which is highlighted with a green box and shows 'Premier' selected. At the bottom left, there are 'Submit' and 'Reset' buttons.
