

The Prairie State Bank & Trust Voyagers group is thrilled to bring you the 2024 Flu Shot Clinic dates and times.

We have had such a great turn out and response with our drive-up flu shot clinics, weather permitting we will continue as a drive-up option. In the event of poor weather, we will host these inside the branches. Please save the date and email us with any questions at Voyagers@psbank.net.

Please call or email us to RSVP for the event near you!
