

Prairie State Bank & Trust

Dear Customer,

Thank you for choosing Prairie State Bank & Trust
for your banking needs.

We are proud of being a local, family-owned bank still focused on the “community bank” principles we were founded upon. Many banks say it, but it is our goal to truly provide you with an exceptional service experience that sets us apart from others.

At Prairie State Bank & Trust, we take our obligation to protect our depositors' funds seriously. Our deposits are FDIC insured, and being family owned and operated, we make decisions that are right for the long term. Our historically conservative banking philosophy has allowed us to remain strong and stable through the many ups and downs of the banking industry over the years.

We realize you have many choices to meet your banking needs. I invite you to bank with us. I'm confident we have the products and services to meet your needs. We're not always perfect but we will always be here to help you in any way possible and to solve any problems or issues that may arise.

Thank you for choosing
Prairie State Bank & Trust.
