

# Jacksonville Night at Busch Stadium

## Jacksonville Night is BACK! Bigger and Better than Ever Before!

JACKSONVILLE, IL, June 8, 2021 – The 5<sup>th</sup> Annual Jacksonville Night at Busch Stadium is Back! This year our event falls on a Thursday night, **July 22, 2021 at 6:15pm** so we reap the benefits of a great price of only \$40 per ticket for a Cardinal Cubs game. These tickets are grouped in Right Field Box seats in sections 128 through 131 – The Jacksonville Corner!!

We are fortunate to have planned our game after the Covid 19 pandemic restrictions have been lifted. Our game will be at 100% capacity and there will be no mask requirements at Busch Stadium. There are no restrictions of ticket purchases so order your group tickets soon.

Tickets can be purchased online at <https://jaxnight.square.site> (all tickets are \$42 each online) or in person very soon at **Prairie State Bank & Trust** on West Morton Avenue. All details of the event can be found on this site as well.

**Scotty DeWolf** will be throwing out the First Pitch this year after Covid restrictions prohibited him from doing so in 2020! Mr. DeWolf is currently restoring two Jacksonville Landmarks in the historic district, the former Ayers Mansion and Congregational Church. He loves the Jacksonville Community and believes in its future.

**The Jacksonville High School Choir** will be performing “God Bless America” at the beginning of the game on the field. They will be located directly in front of the Jacksonville Night section of seats and projected onto the JUMBOTRON! (*Jacob Smetters, Choir Director*)

**FREDBIRD**, the Official St. Louis Cardinal Mascot, will be coming to J’ville! Fredbird will be at the Rotary Club Ferris Wheel in Community Park on **Saturday, June 19<sup>th</sup> at 1pm** thanks to our sponsor **Prairie State Bank & Trust**. Fans can have their photo taken for a \$5 donation to the Jacksonville Tree Project. Everyone is invited to ride the historic Ferris Wheel for FREE from 1pm-3pm.

All of the Proceeds from Jacksonville Night will go to the **Jacksonville Tree Project**. The Project is a city-wide beautification initiative focused on restoring Jacksonville’s tree canopy. For more information, visit [www.jaxtrees.org](http://www.jaxtrees.org). We would like to thank our current sponsors: **Prairie State Bank & Trust**, WEAI/WLDS Radio, The Source Newspaper and The Jacksonville Rotary Club.
